#### DISTRICT COURT OF MARYLAND

Preset fine amounts for all violations in this book include a Special Funds surcharge of \$7.50.

## TO ALL PEACE OFFICERS OF THE STATE OF MARYLAND AUTHORIZED TO ISSUE CITATIONS FOR VIOLATIONS OF THE MOTOR VEHICLE LAWS:

This document is a fine or penalty deposit schedule for certain violations of the motor vehicle and other laws as set forth in the Annotated Code of Maryland. The amounts set out on this schedule are to be indicated by you in the appropriate space on the citation, so that the motorist in such cases may prepay the fine in that amount if he or she does not care to contest his or her guilt or wishes to enter a plea of guilty with an explanation.

For some violations of the law set out in this schedule, a defendant may not prepay a fine or penalty deposit as he or she is required to stand trial. Those offenses appear on this schedule with the letters "MA" after them and in such cases you should mark the block before the phrase "You must appear for trial when notified by the court".

This schedule has been adopted pursuant to the authority vested in the Chief Judge of the District Court by the Constitution and laws of the State of Maryland. It is to become effective October 1, 2015, replacing all such schedules issued prior hereto and is to remain in force and effect until amended or repealed.

NO PEACE OFFICER IN THIS STATE IS AUTHORIZED TO DEVIATE FROM THIS SCHEDULE IN ANY CASE IN WHICH HE OR SHE IS INVOLVED.

For the convenience of those using this schedule we are showing the point assessment for each violation. Please keep in mind that these points are mandated by statute and are not established by the Court.

Sincerely.

Your cooperation is appreciated.

#### DISTRICT COURT AUTOMATED SYSTEM

In 1977, the Maryland District Court and the Judicial Information System (JIS) of the Administrative Office of the Courts began the development of a computerized technique for processing the hundreds of thousands of motor vehicle citations issued in Maryland each year. Now known as the Maryland Automated Traffic System (MATS), this plan has evolved into the most sophisticated technique in the nation for scheduling cases for trial with the minimum inconvenience for the Court, police agencies, prosecutors, witnesses and defendants. It has served as a prototype for other courts throughout the country and has been highly praised by a wide variety of national organizations and agencies.

Effective July 1, 1986, all information concerning the disposition of motor vehicle citations, whether occurring as a result of trial or by the defendant's election to waive trial and pay the preset fine, has been forwarded directly from the Judicial Information Systems computer to the computer at the Motor Vehicle Administration. This has effectively expedited the application of conviction data onto drivers' records and has also accelerated the process of suspending the driving privileges of those defendants who fail to pay the prescribed fine or to appear for that trial when required to do so.

Of the many factors that contribute to the proper operation of the MATS system, the most important is that the officer who issues the citation on Maryland's highways properly complete the citation that is given to the defendant. Errors made by the officer at this juncture will follow that case as it progresses through the court and will cause or contribute to major inconvenience to the court, the defendant, and the officer. For that reason, it is important that every police officer in Maryland who is authorized to issue motor vehicle citations carefully read and fully understand the following directions on properly completing those citations. Your cooperation in this endeavor is essential.

#### GENERAL INSTRUCTIONS - UNIFORM TRAFFIC CITATIONS

Proper completion of the citation is necessary to insure the errorless flow of defendant/incident information from the citing officer to the District Court Traffic Processing Center (TPC)/JIS computer to the MVA computer.

- (1) The defendant's name MUST BE entered on the citation exactly as it appears on the Maryland license, including hyphens.
- (2) The defendant's driver license number MUST BE EXACT. Check to see that the first letter corresponds with the first letter of the defendant's last name.
- (3) The defendant's birth date MUST BE EXACT.
- (4) The title and subtitle must agree with written charge. Errors will result in incorrect entries on the driver's record.

If you will check these four items, errors will be kept at a minimum.

### A. COMPLETING THE CITATION

Information on electronic citations may be found at mdcourts.gov Law Enforcement Guide.

#### Witness

(1) If there is to be a witness summoned, check the witness box and complete information on the reverse side of the number one copy. Indicate a complete mailing address for each witness listed, including telephone number with area code if available. In requesting that a peace officer be summoned, provide complete mailing address. The agency and sub-agency is not sufficient. Enter witnesses on ALL related citations if they should be summoned. Entry of a witness on only one of the related citations will result in issuance of summons to the witness for the single citation only.

#### **Related Citation**

(2) If there are related citations - check "Related Citation" and write related citation number in designated area. Loop correctly, on the first citation issued, entering the citation number of the second citation; then entering the number of the third citation issued on the second citation; and so on, until the last citation is issued. On the last citation issued write the number of the first citation issued.

For Example:

Citation 4364097 - on this write 4364098 as related citation

Citation 4364098 - on this write 4364099 as related citation

Citation 4364099 - on this write 4364097 as related citation

#### Driver's License, Class State

(3) Enter the number of the defendant's driver's license, including license class and state of issuance. If the defendant has no license number, enter "None". Do not leave it blank. On Maryland licenses make sure that the first letter corresponds with the first letter of the defendant's last name.

#### **Defendant's Name**

(4) Enter the defendant's FULL first, middle, last name, and suffix as it appears on the license, including hyphens. If a non-resident license indicates only initials for the first or middle name, inquire as to given name and record the full name, not just the initial.

#### Defendant's Address

(5) Enter the defendant's street address, box number, apartment number, city, county, state, zip code, etc. Do not use "No Fixed Address". Enter the CURRENT address if different from the address shown on the license. Inform the defendant to advise both the District Court and the MVA of any change of address. (You may enter the address shown on the license, if different from the current address, on the reverse side of the #1 copy together with defendant's name. Thus, the defendant will receive notices at two addresses. For any name/address items listed on reverse side, check witness box to alert data entry clerks.)

## **Descriptive Information**

- (6) Enter the height, weight, race, ethnicity, sex, and birth date of the defendant. Record the FULL date of birth (month-day-year). If the license indicates only a month and year for the birth, as some states do, inquire as to the day of birth. Without full date of birth no conviction information will be applied to driver record.
- (7) Race Use the following codes for race and enter 1 Black, African American 2 White, Caucasian, Asiatic Indian, and Arab 3 Asian, Native Hawaiian, Other Pacific Islander 4 American Indian, Alaska Native 5 Unknown/Other.
- (8) Ethnicity If the defendant is Hispanic, enter "Hispanic" in the Ethnicity field.
- (9) Enter defendant's telephone number including area code.

1. No bodily injury 4. Serious bodily injury

2. Possible bodily injury 5. Fatal

3. Personal Injury

Check all special indicator blocks that are applicable and/or mandated by Federal or State Law. Federal Law requires a response to Hazmat, Commercial Vehicle and CDL License questions on all citations. Write in or select "C" in the new VEHICLE indicator field. Some violations involving the use of certain types of vehicles used during a violation must also be reported to MVA per State Law. It is essential that you write in or select the correct Vehicle indicator code, as shown below.

## P.D., Contributing to Acc., Safety Belts

If defendant contributed to an accident, check Contributing to Acc., indicates personal injury and/or property damage accident. If required safety belts were in use check Safety Belts.

## Hazard Material (HAZMAT) - Yes or No response is mandatory

If the vehicle is placarded or required to be placarded for hazardous materials, it is a commercial motor vehicle. Check Yes to Hazmat and write in or select "C" in the VEHICLE field.

Commercial Motor Vehicles - Response is mandatory. If a commercial vehicle, write in or select "C" in the VEHICLE field. Commercial Motor Vehicles Are:

If a commercial vehicle is carrying hazardous material in placardable amounts, check Yes to Hazmat.

## Exceptions - Write in or select "N" for None of the Above in the VEHICLE field:

## Charge

- (18) If the violation charged to the defendant is of a section of the law printed on the citation, circle that charge. Do not write a narrative or description in the space available for writing a charge as it will not be entered if a charge has been circled. The system will consider this to be a second charge and two charges cannot be entered for one citation. You may circle only one charge.
- (19) If violation is NOT printed on the citation, determine if the charge is a violation of the Transportation Article (Motor Vehicle Law) and check the box "TA". A violation of the Business Regulation Article is noted by checking the box "BR". A violation of a local ordinance or public local law is noted by checking the box "LO". Maryland Regulations are charged by checking the box "MR". Maryland Regulation (MR) violations are generally not identified by a title and/or subtitle, but merely by a section and/or paragraph number. This reference is to be indicated in the area normally utilized to specify the subtitle/paragraph. You must also enter the written charge. Example of Maryland Regulation:
  - "397.11a Motor Vehicle containing hazardous materials being operated near an open fire." Check box "MR" and write "397.11" under subtitle and "a" under paragraph.

MANY CHARGES IN THIS SCHEDULE CONTAIN WORDS WITHIN PARENTHESES. EACH WORD OR SET OF WORDS THEREIN SEPARATED BY COMMAS IS AN OPTION. WHEN COPYING CHARGE ONTO CITATION, YOU MUST SELECT FROM THESE OPTIONS THE WORD(S) THAT REFLECT THE APPROPRIATE SPECIFICS ABOUT THE OFFENSE. Examples:

- "13-112 e (*Sale*, *Purchase*) of used veh. not title certified and registered." Choose either "Sale" or "Purchase" to indicate the nature of the offense.
- "13-411 g (*Displaying, Permitting to be displayed*) reg. plate(s) issued (*for other veh., to other person*)." There are two requirements for choice "Displaying" or "permitting to be displayed" and "for other veh." or "to other person".

## **Amount of Prepayable Fine**

(20) Check your Schedule of Pre-Set Fines established by the District Court of Maryland for the proper fine, which includes costs. BE CERTAIN OF THIS AMOUNT, for the court will notify the defendant of any overpayment or underpayment. If the charge requires the defendant's appearance in court check the block "You must appear for trial". Only charges which provide for a possible jail term are "Must Appear". If the charge is payable check the block "You have the right to stand trial".

## **Signatures**

- (21) The officer must sign the citation, enter the date the citation was issued, and fill in the next line. Indicate the district and location of the trial court under "Trial: District/Location", then your Agency, Sub-agency and I.D. No. if officer is required to be in court. If the citation is issued as a result of a radar speed check and the court requires the appearance of the radar operator and not the issuing officer, do NOT enter the ID number of the issuing officer.
- (22) Radar/Breathalyzer operator's name, Agency, Sub-agency and ID number should be completed only if the Radar operator or Breathalyzer operator is required to appear in court in all cases. IF Radar operator belongs to a police agency different from issuing officer's, THEN avoid using radar slot on front of citation. Rather, enter that ID, etc. on back with witnesses. Check witness box.
- (23) The defendant is required to sign at the line marked "X". If defendant refuses, you may charge defendant with refusing to sign.

#### **B. VOIDING CITATIONS**

If an officer makes an error while writing a citation and the #5 copy has been given to the defendant, the citation must follow normal procedure and be disposed of in open court. It may not be voided. The State's Attorney, on the day of trial in open court, may amend or may nolle pros. The officer may then write a new citation with correct charge.

If an officer makes an error while writing a citation and the #5 copy has NOT been given to the defendant, (the defendant may have signed it) this citation may be administratively voided by the administrative officer of that particular police agency.

If an officer does not show a charge on the citation, it is not a charging document and the defendant will be notified that the citation is a nullity and the fine shown should not be paid. These will not be scheduled for trial.

The procedure for forwarding voided citations follows:

- 1. The citation must contain the void date in the violation date area and all officer information must be entered. The officer must sign and "VOID" must be written across the citation.
- 2. The citation number must be entered on the transmittal and the original copy and the #5 copy must be forwarded to TPC. Compliance with this procedure will assure accurate and complete ticket accountability.

## C. FORWARDING CITATION

Each officer must daily prepare a transmittal for the citations which the officer has issued and submit to the designated officer's agency. Citations **MUST** be reviewed to make certain that:

- 1. They are legible.
- 2. Zip Codes are provided.
- 3. Looping is correct.
- 4. Fine amount shown is correct.
- 5. Title, subtitle, and paragraph are correct if charge is written.
- 6. Must contain a charge.

After review, the agency will consolidate all transmittals and citations received from the officers and will mail the original citation and two copies of the transmittal to District Court Traffic Processing Center (TPC) (One copy of the transmittal will be returned after verification that all listed citations have been received; if the transmittal is incomplete or incorrect it will be returned to the agency for correction.)

## FORWARDED DAILY TO:

District Court Traffic Processing Center 2020 Industrial Drive Annapolis, Maryland 21401

If you arrest the defendant, you are to leave the #4 copy of the citation with the commissioner who will enter essential information into the automated system and will place this copy in the traffic folder for trial.

If a violation is a payable offense, you are to give the defendant both the #4 and #5 copies of the citation as they contain vital information pertaining to defendant's option of appearing for trial/hearing or paying the preset fine, thereby waiving defendant's right to a trial. Alert the defendant to read the back of both copies of the citation for more information.

#### MD JUVENILE CITATIONS

## The District Court does not have jurisdiction over:

- 1. A child under 18 years of age alleged to have committed an act in violation of any provision of the Transportation Article or other traffic law or ordinance that prescribes a penalty of incarceration, or
- 2. A child under 16 years of age alleged to have committed any act in violation of any provision of the Transportation Article or other traffic law or ordinance.

If a citation is issued to individuals in the above categories, it should be listed on the transmittal indicating "Void-Juvenile" and sent to the Traffic Processing Center for ticket accountability purposes only.
